The GameDay Tailgate Table was designed from the ground-up to be everything today's dealers are looking for. With the perfect balance of expansive table surface, stylish contours and sturdy table frame-all packaged to ship under OS1, this product not only looks good, but it sells and ships well too!

The GameDay Tailgate Table was designed with these selling features in mind to benefit today's discriminating dealers:

- It was designed to retail (on sale) for around \$100-making it very appealing to much wider markets than prior products
- It was designed to ship in a pre-determined size and weight-under OS1. Ship it to most locations for an average of \$ 9
- It was designed and built to last for many seasons, and in virtually any climate (10-year Limited Warranty).
- Lastly, you will find that it is priced to afford dealers a great margin
