September 26th Just Became Your Lucky Day

Award-Winning Selkie Rescue Data Recovery on Bits du Jour

September 20, 2007

For Immediate Release - Ever wondered how you could make award winning, top flight utility software better in just a day? Well read on because that is just what the folks at **Selkie Rescue Data Recovery** are doing with an astounding 51% one day discount offer on the popular Bits du Jour software promotional site! It might seem too good to be true, however on September 26th **Selkie Rescue Data Recovery**, the award-winning software program that provides safe, fast data rescue, is regularly \$99.99. It will be available for one day on September 26th for only \$49.99 through Bits du Jour at www.bitsdujour.com

Buy it as the best insurance you can find against data loss!

The only thing that will impress you more than the incredible savings on September 26th is the remarkable software you will buy for that price. **Selkie Rescue Data Recovery** is your peace of mind and insurance against losing your valuable files when your computer fails. **Selkie Rescue Data Recovery**, a self booting program, does not require pre-loading. It can be simply downloaded onto a CD which you can keep with your computer.

When your operating system fails and your files, photos, music, and emails are trapped, there's no need to panic. Simply connect your computer or laptop to another, put in the **Selkie Rescue Data Recovery** disk, and follow the simple instructions.

Three keystrokes later your files are fully recovered to a working computer. Then keep the disk handy and if you should ever need it again it's there for you. At the price of \$49.99 **Selkie Rescue Data Recovery** is the most affordable insurance against lost data that you can buy.

"We are delighted to be doing the Bits du Jour promotion," said Affiliate Manager Emma Larocque, "It will provide substantial savings to new customers and through this campaign we will introduce our product to a wider range of potential buyers. Pencil in September 26th and buy this product with a 51% savings. You may not need it today, *but you will* and when you do you will be relieved that you have it."

More information on **Selkie Rescue Data Recovery** can be found at www.SelkieRescue.com

Tugboat Enterprises is in its third year as a private software development company. The company's feature product, **Selkie Rescue Data Recovery** is a bootable CD that is easy-to-use and affordable.

Selkie Rescue Data Recovery solves a major problem faced by millions of Windows users on PCs and laptops - lost data due to computer crashes from viruses or bad software. Instead of sending your computer or laptop to a repair centre and losing significant time & money, use **Selkie Rescue Data Recovery** and recover your photos and graphics within 10 minutes, using 5 mouse clicks or keystrokes - all for \$99.99 regular price. **Selkie Rescue Data Recovery** does not require Windows to be functional in order to recover data.

Enterprise and bulk licensing is available by contacting Nathan Potechin at 1-888-688-9199.

Selkie Rescue Data Recovery System Requirements

Any Pentium or equivalent CPU (Intel, AMD) capable of running Windows 95 through Vista; 16MB available system RAM; VGA graphics chip and color monitor; CD-R drive and blank recordable CD required to burn the **Selkie Rescue Data Recovery** CD; any active network connected to the PC or laptop being rescued.
