Be a Tree

Be safe around a strange dog.

1. Fold your branches (hands)
2. Watch your roots grow (feet)
3. Count in your head until the dog goes away or help comes

Be safe around dogs you know.

Dogs don't like hugs and kisses - scratch the side of his neck instead.

Play safe games - fetch, teach tricks, hide and seek - no tug or chasing games.

Ask an adult to play too!

Respect the dog's resting place, toys, food and bones.

Look and Think

A safe dog is ...

On leash with a person you know

Sitting calmly

Wagging, panting and looking happy to see you

A dangerous dog is ...

Running loose

Growling, showing his teeth or raising the fur on his back

Looking worried with his mouth closed and a half moon of white showing in his eye

Tied up, in a car, behind a fence, in a crate

Warning you to stay away by raising his tail high over his back

Holding his tail between his legs, wagging his tail between his legs, or wagging his tail slowly and way up in the air
