Selkie Rescue Gets Five Stars from Shareware Junkies

May 15, 2008

For Immediate Release:

One of the most widely-consulted software review sites in the world has given **Selkie Rescue** a five-star rating, right across the board. Shareware Junkies has now tried **Selkie Rescue** and awarded it the highest possible scores in all review categories.

"We're delighted with this news," said Emma Larocque, VP of Tugboat Enterprises, the developers of **Selkie Software**. "Look what they had to say about **Selkie**:

> *'The installation of **Selkie Rescue** is easy and intuitive…*
>
> *'…get those files off of the computer that you thought was unreachable and thank your lucky stars that you have **Selkie Rescue**.'*
>
> *'**Selkie Rescue** is going to get those files off of your broken computer unless the drive is badly damaged physically, so run, don't walk, and get **Selkie Rescue**!'*"

"Software Junkies gave **Selkie Rescue** a full five stars for performance, user-friendliness, cost, ease of installation and support," said Larocque. "Now we encourage others to try the full line of **Selkie** products."

Tugboat Enterprises Ltd. is a software development company specializing in data migration, file transfer and data recovery software. Their flagship product, **Selkie Rescue Data Recovery**, can bypass a non-functioning Windows operating system to recover data files with only three key

strokes. It has received several industry awards and international acclaim. It is quickly becoming the preferred software for fast, easy, secure data recovery when Windows stops functioning. Other products by Tugboat Enterprises include **Selkie Quick File Transfer**, **Selkie Photo Recovery, Selkie Music Mover, Selkie Secure Off-Site Backup,** and **Selkie Email Recovery.**

Selkie Rescue solves a major problem faced by more than one billion owners of PCs and laptops - lost data due to computer crashes from viruses or bad software. Instead of sending computers or laptops to repair centres and losing significant time and money, consumers can use **Selkie** and recover lost data within 10 minutes, using five mouse clicks or keystrokes - all for $99.99. **Selkie Rescue Data Recovery** does not require **Windows** to be functional in order to recover data.

A demo of **Selkie Rescue Data Recovery**, the award-winning utility that will simply, safely and easily recover files off a non-functioning computer, is available at www.SelkieRescue.com

Tugboat Enterprises is in its third year as a private software development company. The company's feature product, **Selkie Rescue Data Recovery** is a bootable CD that is easy-to-use and affordable.

Selkie is available at www.SelkieRescue.com for US $99.99. Enterprise and bulk licensing is available by contacting Paul Flanagan or Emma Larocque at 1-888-688-9199.

Selkie Rescue System Requirements
Any Pentium or equivalent CPU (Intel, AMD) capable of running Windows 95 through Vista; 16MB available system RAM; VGA graphics chip and color monitor; CD-R drive and blank recordable CD required to burn the Selkie Rescue CD; or any active network connected to the PC being rescued.
