TALKING *Autograph* BASEBALL™

Talking autograph baseballs allow you to record and play your favorite player's voice inside the baseball, get an autograph on the baseball and have a photo of the player in the baseball.

Your favorite player can. . .

Wish you a happy birthday

Thank you for being a great fan

Give you some great hitting or pitching tips

Now you can collect players' voices from eight professional sports including baseball, football, basketball, soccer, hockey, golf, tennis and Nascar.

You can collect all the players' voices on your favorite team just like you collect baseball cards and autographs.

Special locking device prevents anyone from erasing your favorite recording!

Recorded voices are clear, much more personal and longer lasting than the hard to read autographs.

Great fundraisers for charities and coaches' awards.

U.S. & Foreign Patents Pending
