Dreamstar Parties Inc Donates Proceeds from its Signature Character Performance Bookings to Seattle Children's Hospital

Leading children's entertainment company has raised almost \$1500 for Children's in less than a year.

SEATTLE, WA—Dreamstar Parties Incorporated, Western Washington's leading children's entertainment company, today announced has donated over \$1450 in proceeds from its Washington signature character service bookings to Children's since September 2009. These donations make up the key part of "Dreamstar Cares," Dreamstar Parties' program/campaign to give back to organizations that promote the well being of young children in the communities Dreamstar Parties serves. For each character performance booked in Washington State, Dreamstar Parties donates \$5 to Children's.

Dreamstar Parties will be making a special appearance at Children's on Friday November 19th at 2:00PM where one of its themed princess characters will be presenting the Hospital with a check and visiting young patients. Seattle area media are encouraged to attend. Please park in the Giraffe parking lot and check-in at the Giraffe entrance at 1:45 p.m. for a press badge.

Dreamstar Parties signature, and most popular, signature character service is a 1 hour performance from a child favorite character such as a clown, princess, or pirate who completes 2-3 activities from a wide selection of entertaining activities including balloon twisting, face painting, magic, and story-telling with puppets.

Dreamstar Parties Founder/CEO and University of Washington alumni, Christina Rosalita, said, "Dreamstar Parties cares deeply about the children in the communities we serve. Seattle Children's Hospital is one of the finest medical facilities that focus on children not just in the Pacific Northwest, but the whole country.
