

Send a flower basket and Support a book for the future of a child

The heart-warming online flower delivery service : Flower 36.5

Flower 36.5 that is a professional online flower delivery service introduced a new service that adopted 'Buy 1 Give 1'. Through this service, the flowers that you want to send for the happy smile of your loved one can also lead to a smile of another person on a different part of the world. The body temperature of human is 36.5°C, and with the small contribution made through your flower delivery, you can share not only the kindness of your heart but also the opportunity to give happiness. Through the alliance with B1G1 (www.B1G1.com) of Singapore that introduced the new conceptual small-amount donation system as the purchase culture, a donation is planned to be made for every order, deepening the essence of the present and making it more meaningful for both sender and receiver.

Send a flower basket on a joyful birthday : Support a book for the future of a child

Send a flower basket on the day of a baby's delivery : Support Medical care for a week to a child

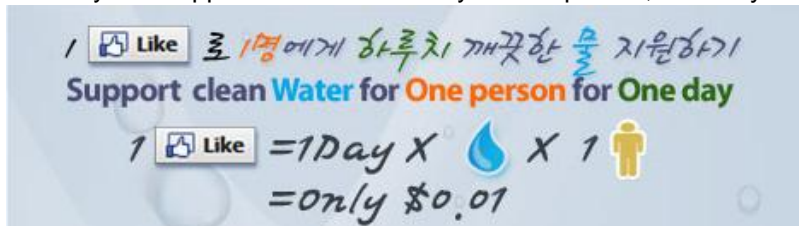

Send flower gift on a happy wedding day : Support a fruit tree for the future of a family
