

HolisticGlobeRadio.com Healing Arts Conference & Exhibits

Come Join us in Fort Lauderdale, FL – Saturday Dec 17th, 2011

A Day for Healing, Personal Transformation, Education & Networking

Meet and connect with local and national experts, special guests, alternative healers, holistic practitioners, spiritual and intuitive healers, light-workers and body-workers, medical prophets and visionaries. Take a class, explore a healing modality, get a reading and support our presenters! Also make sure you enjoy our exhibits, selective conscious products and positive-health living resources. Receive the gift of healing: physical-mental-emotional-spiritual transformation. Allow our amazing healers and experts to touch your life, help your needs and alleviate your sorrows.

About Our Conference: **a nationwide transformational movement!**

Our conference brings together free education and resources to the public concerning healthy living, human potential, holistic wellness, body-mind-spirit & earth-friendly products helping the masses to become “awakened and aware” of available resources and providers both alternative and mainstream and spiritual alike. Developed with much love and care, at each destination our show brings for your enjoyment the best of local practitioners and resources.
