“Our winter promotion intends to award loyalty and enhance the Christmas holiday mood of all gamers. Gamingator’s strategy to strengthen its close ties with its users comes as a follow-up to the recent Thanksgiving promo campaign,” Gamingator.com’s CEO Ilian Petrov said. This time, however, there is a different selection of quality games that constitutes a whole new level of entertainment.

Some of the discounted games like Sniper Ghost Warrior by City Interactive, Theatre of War by 1C and Monster Trucks by Team6 are players’ absolute favorites and ultimate hits.
