About Bhindi Jewellers - Since its doors first opened in North America, Bhindi Jewellers has become one of the most trusted and reliable sources of jewelry. As the demand for Bhindi's jewelry is continuously growing, the Bhindi's listened and obliged by expanding both to San Francisco and Atlanta and will continue exploring further locations to meet clientele's demand. For those who are unable to visit the stores, the newest Bhindi development is the expansion of their exclusive collection on the internet; now available nationwide. www.bhindi.com Please like our facebook page <https://www.facebook.com/BhindiJewellers> and follow us on twitter @BhindiJewellers

Bhindi jewelry can be found on everyone, from brides to Hollywood celebrities wearing contemporary pieces, hand-selected by personal stylists. In response to every growing demand, Bhindi Jewellers has repeatedly risen to the occasion by maintaining the most current trends in jewelry and growing to gain synonymy with excellence and aesthetic. In the early 90's, Madonna popularized the 22Kt yellow gold ethnic trend on the cover of the 1994 Rolling Stone magazine where the jewelry she chose was none other than Bhindi's own. Fast forwarding to the 21st Century brings a variety of celebrities whom have frequently graced the floors of Bhindi Jewellers, from young musicians such as Christina Aguilera, to Hollywood and Bollywood icons, like Jennifer Aniston, Sharon Stone, Shilpa Shetty & Amisha Patel.

At Bhindi Jewellers crafting beautiful jewelry is only the beginning. Just as important is the creation of beautiful showrooms that house the intricate jewelry designs. The company has been bestowed awards in recognition of its insightful architectural plans. Bhindi's Atlanta showroom was recently renovated to accommodate and better exhibit their exclusive collections. The Atlanta showroom boasts 7,000 sq. feet of retail space and we have locations in Los Angeles and San Francisco.

About the Bhindi Family www.bhindijewellers.com

The legacy of Vinod, Jayent and Dhanesh Bhindi will continue, as the present and future of Bhindi Jewellers will be navigated by the heirs of this Jewelry Empire. This new team consists of 5 members; Sanat, Ronil, Hitesh, Nikhil, and Ashwin Bhindi, all of whom are certified gemologists from the Gemological Institute of America (G.I.A). As the next generation of jewelers, the team has been thoroughly trained in the traditional ways of jewelry design as well as the manufacturing of unique hand crafted items. As technology advances, our innovations have taken hand drawn jewelry designs to the next platform; by implementing all design creations to be made on CAD/CAM. This program enables three-dimensional custom images, which in turn allows control of each design feature so that every item is unique to each customer's desires. The groundbreaking designs Bhindi Jewellers have produced have fueled unimaginable response from our peers within the industry; as well as an ever-growing demand for contemporary and fusion collections from clientele.

The Bhindi collection is centered around luxury and elegance, catering to clients for whom jewelry reflects individuality. Bhindi Jewellers has maintained, and ways will preserve integrity in retail practice as well as the highest standards in manufacturing and innovative design.
