NFTE'S NATIONAL SMALL BUSINESS WEEK CAMPAIGN JUNE 17-21, 2013

Join us in supporting the dreams of local young entrepreneurs

Entrepreneurs and small businesses are powerful drivers of economic growth, and NFTE sows the seeds of innovation in students throughout DC and around the world.

NFTE DC REGION is serving 1,100 students at 23 schools this year. **The Barbers Lounge** was founded by local entrepreneur Davon Kelly who believes "NFTE encourages young people who may not otherwise have role models who own businesses to consider the path of entrepreneurship." **The 17 barbers at My Barber's Lounge are proud to host "KUTZ for NFTE Kids" and will donate \$1 of every haircut to NFTE. My Barber's Lounge's donation will be personally matched by Davon Kelly.**

We can double our impact! All donations made to NFTE through the *Big Dreams Start Small Campaign*, up to **\$25,000**, will be matched thanks to an anonymous donor.

The Network for Teaching Entrepreneurship (NFTE) provides programs that inspire young people from low-income communities to stay in school, recognize business opportunities, and plan for successful futures.

Investing in our community –
Transforming lives together
