

# How To

How Free Publishing Works.

## Write Manuscript:

Write your manuscript and upload it from your author profile page. Check out our Author Checklist to make sure your book is ready.

## Select Route:

Either way, you receive the same great book and start collecting royalties.

## Upgrade:

For authors who want their paperback book in hand right away. Take the express route and receive Expanded Distribution right away.

**You can upgrade at anytime.**

## E-Book:

Light Switch Press starts by designing your e-book. After your e-book sales reach 100 copies your book is then part of our Expanded Distribution.

## Expanded Distribution

Available in print and e-book, with distribution to Ingram, Baker & Taylor, Amazon and Barnes & Noble.
