# TeleMedicine Plus Program Features and Benefits

---

- Prompt access to U.S. based, licensed physicians
- Convenience of obtaining medical care at work, home or on-the-go
- Savings - Avoids costly co-pays associated with in-office appointments
- Quality care from physicians who provide consultations, recommend treatment and write prescriptions
- Continuity of care with the ability to send detailed care reports to your PCP or other care coordinator
- No denials based on pre-existing conditions - everyone is accepted

## DIAGNOSTIC CONSULTATION

For in-depth consultations, including prescription requests or refills, receive anytime access to physicians over the phone. Just schedule an appointment online or by phone. User-friendly patient dashboard provides the tools to schedule an appointment in minutes.

## NURSE HOTLINE

Toll-Free 24 hours a day, 7 days a week. The Nurse Hotline handles after-hour medical calls for hospitals and physicians throughout the world using guidelines written and endorsed by the foremost professionals in the health services field.

## WELLNESS PLUS PROGRAM

Access to a Symptom Checker, Health Library, Health Tools, Diet & Fitness programs and a comprehensive Lifestyle Assessment.

## DISCOUNTED IMAGING

One touch calling on your app will connect you to a concierge service that will confirm your discount based on membership and arrange your tests at the closest available imaging center. The same high quality imaging tests (MRI; MRA; CAT; PET) performed at your doctor's office or local hospital. Retail Imaging prices reduced by up to 70%.

## OPTIONS

- Your products/services, website, and/or catalogue
- Your member/employee handbook
- our other white-labeled discount benefits

## DIAGNOSTIC VIDEO CONSULTATION

The platform combines high quality video, advanced audio and secure data transmission to effectively simulate in-person consultations.

## E-HEALTH PROFESSIONALS

A holistic health approach addresses many areas of wellness, including general wellness, physical fitness, diet and mental health. 24/7 email access to board-certified physicians, psychologists, dentists, pharmacists, dieticians and trainers. Provides ability to upload images, PDFs or labs for medical professionals to review.

## DISCOUNTED LAB TESTS

One touch calling on your mobile app will connect you to a concierge service that will arrange your tests at the closest available lab (1,000's of locations available). All lab tests are performed by nationally recognized and CLIA Certified laboratories. Retail lab prices reduced by up to 70%.

## RX DISCOUNTS

Up to 80% off at over 60,000 participating pharmacies including: CVS; Walmart; Walgreens; and many more. GPS pharmacy locator built into app includes 1-touch calling to each pharmacy along with maps and directions.

## ADMINISTRATION

- Web-based enrollment platform
- Electronic and/or mailed fulfillment
- Customer Support
