MEDISOFT V19 Technical Requirements

RECOMMENDED	SUPPORTED
Basic and Advanced	**Basic and Advanced**
Recommended System Requirements 32-Bit color display (minimum screen display 1024x768) Intel Core 2 Duo 1.6 GHz processor 1 GB of available hard disk space 2 GB of RAM for Windows 32-Bit 4 GB of RAM for Windows 64-Bit Windows 7 Professional or Ultimate 32-Bit or 64-Bit DVD Drive is required for installation	**Supported System Requirements** 32-Bit color display (minimum screen display 1024x768) Intel Pentium 4 2.0 GHz processor 500 MB available hard disk space 1 GB RAM Windows 7 Professional or Ultimate 32-Bit or 64-Bit Windows 8 Professional 32-Bit or 64-Bit DVD Drive is required for installation
Network Professional	**Network Professional**
Recommended Server System Requirements Intel Xeon Dual Core 2.0 GHz processor 10 GB of available hard disk space 4 GB of RAM Windows 2008 R2 Server 64-Bit Network Card (NIC) 1Gbps DVD Drive is required for installation	**Supported Server System Requirements** Intel Pentium 4 2.6 GHz processor 2 GB of available hard disk space 2 GB of RAM Windows 2008 or 2012 Server 32-Bit Windows 2008 or 2012 R2 Server 64-Bit Network Card (NIC) 1Gbps DVD Drive is required for installation
Recommended Workstation System Requirements 32-Bit color display (minimum screen display 1024x768) Intel Core 2 Duo 1.6 GHz processor 1 GB of available hard disk space 2 GB of RAM for Windows 32-Bit 4 GB of RAM for Windows 64-Bit Windows 7 Professional or Ultimate 32-Bit or 64-Bit Network Card (NIC) 1Gbps DVD Drive is required for installation	**Supported Workstation System Requirements** 32-Bit color display (minimum screen display 1024x768) Intel Pentium 4 2.0 GHz processor 500 MB available hard disk space 1 GB RAM Windows 7 Professional or Ultimate 32-Bit or 64-Bit Windows 8 Professional 32-Bit or 64-Bit Network Card (NIC) 1Gbps DVD Drive is required for installation

Electronic Claims

High-speed internet access is required to send Electronic Claims.
U.S. Robotics Modem may also be required to send electronic claims when using Revenue Management Direct.

- Before installing any newer operating system, service packs or releases, call our technical support department.
- You must meet the minimum system requirements for your operating system. Microsoft Home products are not supported; Microsoft Small Business Server products are not supported.
- The above requirements are for the Medisoft software only. If you decide to run additional services (for example: DNS or Active Directory) you will need to add additional CPU's and/or RAM.
- Wireless networks or VPN's may be used in conjunction with Terminal Services only.
- Above is for Medisoft Billing software only. Medisoft Clinical users, please call for system requirements.
- We are not responsible for hardware and /or software incompatibilities.

Technical Requirements are subject to change
