

Discover The Power of Love and The Magic of Life

# Magelica's Voyage

The Rescue

Prince William was fighting to steer the boat from the black rocks surrounding an island, but the water was too rough. Just as the boat was about to crash, Will and Goldy, leaped into the raging sea.

When Magelica dreams of a prince lost on a deserted island, she realizes that it could lead to his rescue. She returns to the Isle of Dreams to tell Queen Raya what she knows. Can they save Prince Will before it's too late? Will the power of laughter and love be enough?
