

Dreaming is an essential part of life especially for children.

LemonGrass is a short story about deliverance for a little girl and fulfilled desire for Motherhood.

Book Summary

Synopsis

I was inspired to write LemonGrass by learning of circumstances of so many victimized children who innocently have been in situations that have caused them to feel confined and alone yet their innocence enabled them to dream beyond their circumstances. I wanted others to be inspired to dream beyond their circumstance by reading this short story called LemonGrass.

“She drifts toward the melodic bells which grow louder and LOUDER in sound (DONG, DONG, DONG!)”
