FOR IMMEDIATE RELEASE:

Experts from Source One Management Services Recognized as Supply and Demand Chain Executive's 2016 Provider Pros to Know

Willow Grove, PA (February 17, 2016) – Strategic Sourcing pundits from leading procurement services provider, Source One Management Services, named Supply and Demand Chain Executive Magazine's "2016 Provider Pros to Know." The globally renowned publication serving the supply chain industry annually recognizes leaders in consultancies who have helped clients leverage their supply chain to achieve a competitive advantage.

Source One's William Dorn, Lindsey Fandozzi, and Jamie Burkart each received recognition for their outstanding work in delivering innovative spend management solutions, as well as optimizing supply chain operations for their Fortune 1000 clients. Each recipient possesses diverse category expertise and uniquely contributes to the success of Source One's approach to supply management. As the Vice President of Operations, Dorn has been recognized for his decades of experience facilitating cost reduction and efficiency initiatives, and his innovative approaches to complex supply chain problems. Similarly recognized for her contributions to improving the Source One process, Fandozzi is a major driver of knowledge sharing within the organization, leveraging her detailed approach to strategic sourcing to the development of a proprietary spend analysis tool. Burkart, an IT and Telecommunications subject matter expert, is recognized for delivering \$5M in savings for a pharmaceutical client by optimizing the company's data warehousing budget and practices.

"We're a team of problem solvers, forward thinkers, and go-getters, motivated by results. Clients choose Source One because they recognize these success factors in our team. It's an added bonus and a privilege for our team's performance to be recognized by *Supply and Demand Chain Executive*," shared Dorn. In total, the honor marks six years in a row procurement and strategic sourcing experts from Source One have received this distinction from *Supply and Demand Chain Executive*.

2016 Provider Pros to Know nominees include individuals from software firms, services providers, consultancies and academia who have helped their supply chain clients or the supply chain community at large, demonstrating leadership by mitigating risk and delivering value to the bottom line. Source One's experts will be among the list of 2016 Pros to Know winners to be featured in the March 2016 edition of the *Supply and Demand Chain Executive* magazine.

The award continues the Procurement Services Provider's momentum in 2016, coming on the heels of announcing their [Premier Sponsorship of ISM2016's Exec IN forum](#), a special event taking place during

the Institute for Supply Management's Annual Conference. Designed specifically for senior-level supply management executives of top organizations (\$1.5 billion + revenue), the conference will address the obstacles facing large supply chain operations. In preparation for the conference, Source One will be kicking off a "Countdown to ISM2016" series of content including blog posts, webinars, and podcasts centered on industry hot topics.
