

# MyEdLink

Connecting Teachers all over the world!!!

Connecting great ideas and education innovation directly from teachers, professors and educators and fostering impactful learning opportunities among colleagues.

Create a private educator-only place where colleagues can share inspirational stories, vent, and find new ways to overcome challenges in and outside of the classroom.

A place to share new career opportunities for employment at your school or college

## Key Features

- ▶ Targeted Audience
  - ▶ It is just for Teachers, Professors and Researchers!
  - ▶ We provide a unique platform to bring the education community all over the world together!
- ▶ Communication Challenges exist with other social sites like Facebook and Linked In
- ▶ Groups
  - ▶ It is not possible to communicate with all of them together
  - ▶ Too many educational groups exist!
- ▶ Job Postings
  - ▶ Facebook and Twitter do not offer an organized job portal
  - ▶ LinkedIn also offers job postings but it's mostly targeted by corporations and lot of it is influenced by IT and education job

## OUR EDGE

- ▶ Groups Creation
  - ▶ Users can create groups which can be both private and public.
- ▶ Content Distribution
  - ▶ Users all over the world can share and learn from each other.
- ▶ Job Portal
  - ▶ Exclusive only for members.
  - ▶ Members can apply and post jobs.
- ▶ Social Collaboration With Educators
- ▶ Education Training Content
- ▶ Exclusive Membership
  - ▶ MyEdLink is available to educators by invite-only.
