

A pair of hands is shown holding a tablet computer. The tablet screen displays a software interface titled "MarketMonitor". The interface includes several filter menus on the left and top, such as "All Price Ranges" (with options like "\$175,000 or Less", "\$175,000 to \$325,000", and "\$325,000 to \$500,000"), "All Property Types", "All Construction Types", "New Construction", and "Previously Sold". A central line graph shows three data series: a brown line at the top, a blue line in the middle, and a red line at the bottom. All three lines show an overall upward trend over time. The background of the image is a blurred outdoor setting.

# About

## ShowingTime

ShowingTime is the leading market stats and showing management technology provider to the residential real estate industry. Its MarketStats division provides interactive tools and easy-to-read market reports for MLSs, associations, brokers and other real estate companies. Its showing products and services take the inefficiencies out of the appointment scheduling process for real estate professionals, buyers and sellers, resulting in more showings, more feedback and quicker sales. The ShowingTime mobile app equips users to schedule showings, review appointments, generate reports and more. ShowingTime products are used by 190+ MLSs and associations representing more than 900,000 real estate professionals across the U.S. and Canada.

For more information, visit [www.showingtime.com](http://www.showingtime.com).

## ShowingTime Showing Index

The ShowingTime Showing Index tracks the average number of buyer showings on active residential properties on a monthly basis. Our national and regional indices are computed based on approximately 110,000 listings from 25 local markets across the U.S. Our methodology focuses on properties listed by agents subscribing to ShowingTime's full appointment management solutions at the agent and office levels. It includes all buyer showing appointments requested or logged across all ShowingTime systems, including ShowingTime for the MLS, ShowingTime Front Desk and ShowingTime Appointment Center.

For inquiries, contact [research@showingtime.com](mailto:research@showingtime.com).

The ShowingTime Showing Index tracks the average number of buyer showings on active residential properties on a monthly basis.
