

Luminari

The Incredibly Smart Job Alert

luminari.co

Luminari is a new approach to find the right CPA for your business.

Don't sift through hundreds of unqualified candidates from job boards.

Don't pay excessive recruitment fees.

What we offer

Quality Control

Luminari shortlists the top candidates for your role so everyone is worth your time.

Passive Candidates

Reach the people that job boards can't, without breaking the bank.

Faster time to hire

Source your ideal candidate in a matter of days, not months.

What our clients say

"We had an unusual need: an analyst with writing skills who could act as a Controller for multiple client companies. **Luminari was able to provide a curated list of highly qualified candidates within a few days**, with superior customer service and support."

Greg | Principal - Greensky Capital

"Luminari gave us excellent service and presented us with qualified candidates for our Financial Accountant opening. **Luminari promptly supplied us with screened and suitable candidates.** Our Hiring Manager interviewed two candidates, and selected one that was hired for our Finance team."

Dorothea | Talent Manager - Dentsu
