

# VANCOUVER CONSUMERS MEET WITH... JO WANG *from* CLEANING WITH LOVE

Cleaning With Love is a two-time Consumer Choice Award winner in the category of Carpet & Rug Cleaning, in the region of Vancouver. The company has been in business since 2006 and is the leader in Luxury Home Cleaning and Carpet Care.

**WHAT DOES IT MEAN FOR YOUR COMPANY TO BE VOTED BY CONSUMERS AS YOUR CITY'S BEST?**

It means the world to us to be recognized as the best in such a competitive market. We're so proud that all of our hard work has paid off and that our clients love what we do. It's testament as to what can be achieved with lots of love and care and a positive attitude!

**WHAT IS IT ABOUT YOUR COMPANY YOU FEEL SETS YOU APART FROM YOUR COMPETITORS?**

We're very selective when it comes to choosing our staff and our team is like one big family!

**HOW WILL WINNING THIS AWARD AFFECT THE WORK YOU DO MOVING FORWARD?**

It will give us another reason to keep trying to improve. Every time we've won an award like this, we've immediately started to think about how we can win another one. Improvement at a company level and on a personal level is something we all need to strive for!

**WHAT IS THE BIGGEST RISK YOU HAVE EVER TAKEN IN BUSINESS?** I believe that we take huge risks every single day. We work in a hugely competitive market with fabulous companies all offering something different. Every single day we take a risk by putting ourselves out there and claiming we're the best. You have to have the clout to back it up and thanks to the hard work and endeavour of our entire team, it's working!

**BUSINESSWISE, WHAT IS YOUR NEXT BIG STEP?** We want to keep on growing and keep on spreading the message of Cleaning With Love. We want to keep promoting healthy living and showing people that having a wonderful service like ours in your life can lead to so many positive things. As we say here, "A clean home, a clean mind. When the air is cleared and the trinkets tidied, make room for inspiration to bloom".
