

Preparing for the Biggest Change in History

Anticipate What's Headed This Way—And Prepare for It!

This is a unique opportunity to develop a sophisticated understanding of all of the major events that are currently on our horizon . . . and learn how to position yourself, your group and your organization for the new world that will necessarily emerge.

Introduction: **Thursday, Sep 27; 7-9 pm**

Workshop: **Friday & Saturday, Sep 28-29; 9 am-5 pm**

John L. Petersen

Futurist. Strategist. Large-Scale Change Agent

Learn from one of the most informed, well-known futurists in the world what new world is emerging and how to be a support in times of change.

An unusual, immersive, master-class opportunity to develop a personal understanding of incoming change as well as design strategies for success.

Introduction Only: **\$35** | Workshop: **\$295** *(Thursday Introduction included)*
