**LIBERTY BOTTLEWORKS AND OLYMPIA-TOOLS EMBARK ON THRILLING NEW  
COLLABORATION**

*Creating locally sourced jobs and expanding production in the United States*

(September 27, 2018 Union Gap, WA) Liberty Bottleworks and Olympia-Tools are proud to announce a partnership that will focus on bringing more jobs to the Yakima Valley and increasing production manufacturing in the United States. Liberty Bottleworks is the leading manufacturer of American made metal water bottles. A business that focuses on the importance of making a difference locally, nationally, and globally, Liberty Bottleworks aims to provide sustainable solutions.

Olympia-Tools is an international manufacturing company that stands for quality, innovation and expertise. With clients worldwide, the company is unwavering in their efforts to bring more jobs to the United States. Legal VP Artem Kalajyan says, “Creating a new entity with Liberty Bottleworks is an amazing opportunity that will allow for expansion and growth in US manufacturing. This is just the beginning of creating more American jobs and we cannot wait to see the positive impacts of this collaboration.”

Liberty Bottleworks General Manager, Aaron Collier feels extremely positive about partnering with Olympia-Tools, “We are excited about the endless benefits this acquisition will bring to the Valley. As a manufacturer, we will be enabled to free capital to begin purchasing machinery and expanding operations. This opportunity will allow us to preserve jobs and bring jobs back to Yakima. We are proud to collaborate on the infusion of energy and commerce in the Yakima Valley.”

With a mission of making a difference in the world, Liberty Bottleworks firmly believes in making a quality product that represents their customer’s values and passions. Recognizing the capabilities and materials available in the US, Liberty Bottleworks focuses on manufacturing procedures that allow for sustainable production:

- Utilizing recycled, local, materials
- Supporting US by creating living-wage jobs
- Operating in a clean and safe factory
- Recycling waste and treating water before it leaves the property

**About Our Company:** Liberty Bottleworks launched in 2011 during a time when there was a desperate need for locally sourced jobs. With the focus on job creation, the company knew it was the ethical choice to utilize the space where Western RV formally operated. Committed to creating a quality product that customers are proud to purchase, Liberty Bottleworks is a leader for productive job creation in Yakima Valley.
