

THE GOLD STANDARD OF SYNTHETIC FIBER REINFORCEMENT

FORTA is built on relationships, each with the same goal: creating better concrete.

**USED AROUND
THE GLOBE**

**OVER 100 YEARS
EXPERIENCE**

**UNMATCHED
SUPPORT**

CONTINUOUS INNOVATION

FORTA supplies the global construction market with uniquely designed synthetic fiber reinforcement that reduce cracking, improve performance, and add long-term durability.

FIBER EXPERTS

FORTA is the original name in concrete fiber reinforcement. Family owned and operated since 1978, our experts have over 100 years combined industry experience.

HERE TO HELP

We want to see your project succeed, which is why we offer assistance throughout every step of the process—selling, designing, addition, and placement.

HOW CAN FORTA HELP YOU?

FIBER EXPERTS ON STAFF

Experienced industry professionals are ready to answer questions and aid in technical support for all types of projects.

STEEL TO FIBER CONVERSIONS

Our engineers make your transition to fiber effortless with our trusted and accurate steel-to-fiber conversion assistance available for any project—big or small.

DESIGN ASSISTANCE

Our experienced engineers provide design assistance and recommendations, no matter how large or small your project.

EDUCATIONAL SEMINARS

We send our fiber experts directly to you to provide informational seminars on a variety of topics.
