Experience & company authentication:

Color Experts International, Inc. #1 Image Manipulation Service Provider

We have more than 30 years of experience in image editing services. We are a registered company in the USA, SSL certified and Google verified. We have 250+ skilled and experienced graphic designers and editors who are capable of providing 5000 images per day. Our photo editing price starts from 49¢ and our clients get rush services. Moreover, we also offer upto 50% discount on bulk photo editing order.

Welcome to Color Experts International, Inc. (CEI), a leading Clipping Path and other image manipulation Service Provider in the world. To create images with a better and glamorous look is our passion, mission, and vision. Images are the most important things which can attract people and we leave no stones unturned to give an image its proper importance.

About CEI:

Dr. R.K. Molla, founder of Color Experts International, Inc. (CEI) has taught related courses for about 30 years as a Professor in various universities in the USA. He received a Master of Science (M.S.) and a Ph.D in "Electronic Color Separation," in the USA. He is the author of the world's first book on, "Electronic Color Separation," (1988). The book was used by more than 50 educational institutions in the USA, Canada and Europe as a text, and about 2,000 printing and related plants worldwide as a training manual.

Mr. Soel K. Shams, our President/CEO, has been working for over 25 years in the USA and 10 years in the United Arab Emirates and surrounding countries. He has gained the spirit of his father Dr. R. K. Molla and also shown his charismatic creativity which made Color Experts International, Inc. different from its competitors. Mr. Soel K. Shams also worked for some of the world's leading publications and companies including Newsweek, The Time, National Geographic, Smithsonian, Vanity Fair, US News and World Report, The National Journal, National Review, The New Republic, Nation's Business Magazine R. R. Don- nley& Sons and more in the United States.
