## Haltom city proposed Table of Uses-070621.xlsx

- C-1 lower intensity commercial category providing a uniform set of standards for neighborhood type retail shopping facilities and general commercial activities.
- C-2 normally reserved for areas that provide the greatest number and mix of retail and commercial uses.
- C-3 intended to provide for the development of commercial uses, office parks, restricted light industry, and their related facilities.
- C-4 to provide for the development of more intense commercial uses and those uses utilizing outside storage or involving outdoor activities, office parks, restricted light industry, and their related facilities.
- C-5 intended to provide for the location and use of limited automotive related uses that utilize outdoor parking, storage, or display of automobiles and to place reasonable restriction on such uses.
- M-1 to regulate those uses of the land that cause the manufacturing assembly, processing, storage and/or distribution, sale of and repair of materials, goods, parts, products, equipment, machinery, and other such operations incidental to industrial uses.
- M-2 to accommodate heavy industrial areas and is the most intensive use classification within the city. The district is intended for those uses that would manifest clear negitive impacts on surrounding land uses and as such must be sited to avoid environmental degradation.
