

SmartBuyGlasses Launches Early Black Friday Deals

Customers can start their shopping early and beat the crowd with the pre-launch of Black Friday deals on designer eyewear at SmartBuyGlasses

[SmartBuyGlasses](#), a leading global e-commerce eyewear brand, is gearing up for the biggest sale event of the year. [Black Friday](#) is nearly here, and in the lead-up, SmartBuyGlasses has started its offers early. Customers can start their Black Friday shopping with up to 90% off [designer eyewear](#), 20% off prescription lenses and coatings, and many more exclusive deals.

Starting from the 17th of November, customers can save big on prescription glasses, sunglasses, prescription lenses, and designer brands like [Ray-Ban](#), Oakley, and Persol. The pre-launch of Black Friday allows customers to secure their favorite styles while stocks last. From treating oneself to new glasses to buying gifts for loved ones for Christmas, Black Friday is the perfect time to shop for new eyewear.

When shopping with [SmartBuyGlasses](#) during this sale event, customers won't only benefit from offers. With free shipping, 100-day-returns, a 2-year warranty, and high-quality prescription lenses, it's the perfect place to get your Black Friday goods.

Discover all of the [exclusive Black Friday deals](#) at SmartBuyGlasses and start shopping before the sales end.
